

## “BELLMAN” WALKING TOUR WITH STURE IN STOCKHOLM OLD TOWN

May I introduce to you the very famous and internationally acclaimed 18<sup>th</sup> century Swedish poet **Carl Michael Bellman** (1740 – 1795), his origin and extraordinary life in and around Stockholm, his masterpieces, and the poverty stricken street characters from his songs collection “**Fredman’s Epistles**”. Come along on a **walking minstrel tour** through the narrow alleys of Stockholm Old Town (“Gamla Stan”). Experience some Stockholm history and listen to Bellman’s time typical songs at the locations where the stories take place. Meet **Fredman**, **Ulla Winblad**, **Movitz**, **Fader Berg**, and **Mollberg** as they go about their burlesque lives, with ups and downs.

We start out from the **Evert Taube Statue** on “**Järntorget**” in Stockholm Old Town.

*After long and difficult consideration, I have decided to postpone the premiere of this year's Bellman walks until July 2020. The reason is, of course, the continued risk of infection in Stockholm for the Corona-19 virus. The number of cases of a serious nature is still too high. I am concerned for the safety and health of my potential guests when among the crowds, trying to social distancing, in Old Town.*

I'll be back to you soon !    [info@bellmanvandring.se](mailto:info@bellmanvandring.se)    [www.bellmanvandring.se](http://www.bellmanvandring.se)
